Lingua Sports Fiesta

A CELEBRATION OF LANGUAGE, CULTURE, AND ATHLETIC EXCELLENCE

DEAR PARENT,

The **PYP Lingua Sports Fiesta**, held on Friday, 20th September, was a vibrant celebration that uniquely combined the joy of language learning with the excitement of sports. This special event brought together the spirit of the **Annual Sports Day and Language Day**, creating a festive and enriching experience for the entire school community

The PYP Lingua Sports Fiesta not only highlighted the athletic abilities of our students but also celebrated their **linguistic skills and cultural diversity**. The event served as a reminder of the importance of holistic education, fostering both **physical and intellectual growth**.

Parents were invited to be a part of this special celebration, and their enthusiastic participation added to the festive atmosphere. It was heartening to see the pride and joy on the faces of **our young athletes** and their families as they celebrated their achievements.

I thank the PYP and EYP team of teachers for their outstanding contribution to make this event a grand success. A **special appreciation to Mr. Maharaj** for leading his team exceptionally well and **Ms. Vidhya for her able assistance**. This event was the result of the **creative vision of Ms. Gayathri, our Head of Curriculum**, and I thank her for her valuable guidance right through the preparation for the event.

MYP 1B Assembly

Our MYP 1B class led our school assembly on Wednesday, centering around the **theme of empathy**, with a special focus on **bravery**. The students took full ownership, writing and adapting the script themselves from the book *Wonder*. They organized the tasks and divided roles autonomously. Originally, the **plan included a dance sequence, music, and lights as part of the performance**, but time constraints made it necessary to shift to a simpler approach. **Ms. Dollina**, the homeroom teacher of the class has this to say about her students.

"I'm **incredibly proud** of how the students bravely adapted, letting go of their initial vision to embrace the new plan. Special recognition goes to those who had roles but stepped back due to script changes, **showing true courage** in putting the collective success above individual desires. I was particularly moved by how those who had to step down were still actively involved in setting the stage, demonstrating remarkable dedication and teamwork. **A big thankyou to Nick for his dedication and all the teachers who supported this production**"

Language Day

TRADITIONAL AND NATIONAL SPORTS

Language Day was celebrated this week but with a special twist—**combining it with the spirit of the Olympics held in France this year**. The students showcased the traditional and national sports from **different countries** and even made the audience play some of the games, bringing happiness and unity through language and sport!

SPANISH

Hoy celebramos el Día de las Lenguas con un toque especial, combinándolo con el espíritu de los Juegos Olímpicos celebrados en Francia este año. En **el Lígua Sports Fiesta**, disfrutamos de deportes tradicionales y nacionales de varios países, fomentando la alegría y la unidad a través del deporte y el idioma.

FRENCH

Aujourd'hui, nous avons célébré la Journée des Langues avec une touche spéciale, en la combinant avec l'esprit des Jeux Olympiques qui ont eu lieu en France cette année. **Lors du Lígua Sports Fiesta**, nous avons apprécié des sports traditionnels et nationaux de divers pays, apportant joie et unité à travers le sport et les langues.

University Fair

As part of our endeavour to provide every opportunity to our senior students to explore their career options we had a University Fair organised on Saturday with more than ten universities, **both national and international**, participating in it. Students and Parents interacted with the representatives to explore universities that match their interests and gathered information about **admission requirements, programs, scholarships, and campus life**.

The University Fair was followed by a **360° Application Process** and Guidance session by **Mr Rishi of UniPrepper, Singapore**. During this session Mr Rishi discussed in detail every aspect of the application process starting from college planning, standardized testing, personal statement to scholarships and financial aid.
